

OWNER'S CERTIFICATE

I (we) do hereby certify that I am (we are) the owner(s) of the property shown and described herein, said property being the same property conveyed to me (us) by Deborah B. Gifford, by deed dated December 21, 2021, and recorded in Deed Book 282, Page 258, in the Fleming County Clerk's Office and hereby adopt this plan of subdivision with my (Our) free consent, establish the minimum building lines, and dedicate all streets, alleys, walks, parks, and other open spaces to public or private use as noted, as (our) record plat for the property.

Douglas R. Bruner, President Date

LAND SURVEYOR'S CERTIFICATE

I certify that the survey depicted by this plat was done by me using the GNSS RTK GPS method. GPS used for this survey was a Hemisphere S631 (Base/Rover) Multi-Frequency GNSS Smart Antenna with FieldGenius 11+ software referencing KY Single Zone (NAD83). The relative positional accuracy @ 95% for all points collected using GPS does not exceed 0.07' + 100 ppm. The survey described herein is a "Rural" Survey, and the accuracy and precision of said survey meet the specifications of this class. Bearings herein are based on GPS measurements to control points and are Grid North.

Ronald F. Willhoit, PLS 3004 Date

Latitude Location for POB Reference is 38°21'53.237"N Longitude Location is 83°50'20.705"W GRID is NAD83 Kentucky Single Zone - State Plane Coordinate value for Ref. POINT is X: 5469096.983 Y:4026136.514 Theta: 1°10'24" Grid FACTOR 0.999941192

NOTES:

- The source of the title for Bruner Land Company, Inc. in Deed Book 282 Page 258.
- The reference basis of bearing for horizontal control and directions on this survey was GPS grid-enhanced using a Hemisphere S631+ Base (serial # 21058071) & Rover (serial # 21058594) utilizing the Kentucky Coords network. RTK corrections were received via a Verizon mifi modem. The type of survey, including Static Opus Control, real-time kinematic ("RTK") utilizing Fieldgenius Software time-fixed solutions.
- All monuments found established by GPS - fixed position within 0.05' (Averaged) using Fieldgenius 11+ software using a Hemisphere GNSS - S631 Base/Rover. GNSS points are checked and processed using MicroSurvey StartNet 13.
- The type of equipment used to obtain the linear and angular measurement used in the preparation and Check GPS measurements of said map or plat is a Topcon. GTS-903A Robotic total stations, by the method of random traverse with sideshots.
- Property shown is subject to those restrictions set forth by the County Planning Commission (if any) for its respective zone.
- In providing this boundary, no attempt has been made to obtain or show data concerning the existence, size, depth, condition, capacity, or location of any utility existing on site, whether private, municipal, or public-owned. Check with 911 for utility location before any construction.
- Private Lane as shown herein is a Gravel Road that is 20 foot +/- in width. It is the intention to dedicate this road for Public Use, until such time as Fleming County accepts any road designed to public road standards, the ownership and maintenance of the road, right-of-way, and drainage structures in the right-of-way shall be shared between all landowners that abut Bruner Land Company.
- Public Sanitary Sewers are not available to this property and before any private sewage disposal system is installed a site evaluation be done.
